

MAZAMA STORE

Mazama, Washington

The Mazama County store embodies many of the thoughts from the community meeting on a small, stand alone, scaleable, organic, local, concept that might work in town or on the site. It 'bolts' on many uses yet is manageable by a small team wearing many hats, in the case of the Mazama Country store, a family.

BUILDING USES:

- ◆ Gas station
- ◆ Bakery
- ◆ Deli shop
- ◆ Pizza
- ◆ Soups
